e-Health in Weber-Morgan

Evaluating the Present and Looking to the Future

Tuesday, October 25, 2011, 6:00 PM

E-health technologies have evolved significantly in recent years, bringing unprecedented opportunities for coordination in protecting and improving the health of individuals. Please join us for dinner, provided by the Utah Health Information Network, and an evening of discussion on the successes and challenges of e-Health in Weber and Morgan counties. This free event will be held on Tuesday, October 25 at 6:00 PM.

Partner Organizations

Speakers will share the status of various Health Information Technology and Information Exchange initiatives in your community as well as best practices in implementation. You'll learn from your colleagues how they've engaged in the following initiatives:

- •Electronic Health Records
- •clinical Health Information Exchange (cHIE)
- Telehealth

- ·e-Prescribing
- Meaningful Use Incentives
- Transition of care

All health professionals are invited to attend and share in an exchange on the challenges, successes, Health Insigh hopes and concerns about the future of e-Health. Please join us for dinner and add your voice as we look toward the future of our healthcare system.

Invited Speakers:

Nadim Bikhazi, MD (Keynote Speaker) Lance Hassell

Ogden Clinic Board President Utah Regional Vice President Avalon Health Care Group
